Remittance

- 1. The sending of money, checks, etc. to a recipient at a distance
 - 2. Money or its equivalent sent from one place or another

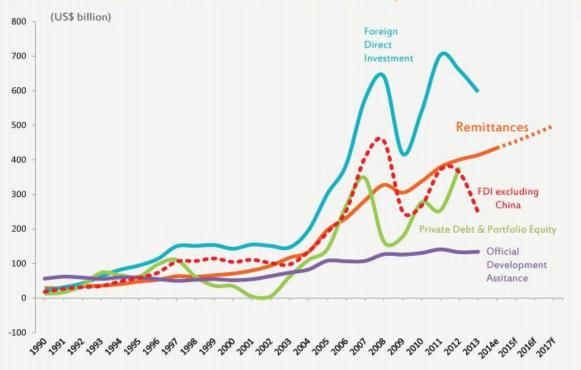

MIGRATION AND DEVELOPMENT BRIEF

OCTOBER 2014

REMITTANCES ARE REBOUNDING IN 2014, FROM SLOWER GROWTH IN 2013

Officially recorded remittances to developing countries are expected to reach

\$435 BILLION

in 2014, an increase of 5 percent over 2013.

In 2013, remittances were more than three times the size of official development assistance (ODA), and excluding China,

significantly larger than foreign direct investment flows to developing countries.

Remittances were more than 3 times the size of ODA
